Honorable Commissioners,

DOCKETED BY

GB

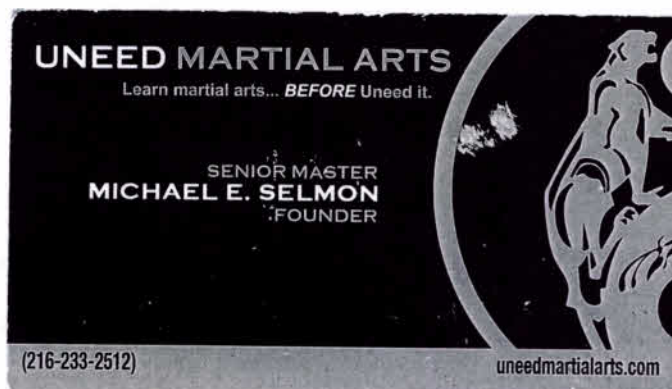

I understand that APS wants to increase my fixed monthly cost. Being a small business owner, I find that any increase to utility charges can hurt my business and businesses like mine.

If the small businesses near me have to close their doors because the utility rates drive them out of business then that is likely to reduce the number of customers that would come and spend money at my establishment.

Please do not allow APS to raise the fixed charge for small business owners like myself.

Sincerely,

Master Mike Selmon
